We have audited the financial statements of Snugg Properties Limited (the Company) for the year ended 31 March 2023 which comprises the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and the notes to the financial statements, including a summary of significant accounting policies in note 2. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2023 and of the Company's income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Directors' Report, other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Independent auditor's report to the members of Snugg Properties Limited

In connection with our audit of the financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Directors

As explained more fully in the Director's Responsibilities statement set out on page X, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

Independent auditor's report to the members of Snugg Properties Limited

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the Audit was Considered Capable of Detecting Irregularities, Including Fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and addressing risks of material misstatement in respect of irregularities, including fraud and noncompliance with laws and regulations, our procedures included the following:

- We obtained an understanding of laws and regulations that affect the Company, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Companies Act 2006 and tax legislation.
- We enquired of the Directors and reviewed correspondence and Directors' meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the Directors have in place, where necessary, to ensure compliance.
- We gained an understanding of the controls that the Directors have in place to prevent and detect fraud. We enquired of the Directors about any incidences of fraud that had taken place during the accounting period.
- The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks. We identified the potential for fraud in the nature of the Company's activities.
- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.
- We enquired of the Directors about actual and potential litigation and claims.
- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias

Use of our report

This report is made solely to the Company, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company

Taxation

The charge for taxation is based on the results for the period.

Deferred tax balances are recognised in respect of all timing differences that have originated but not reversed by the year-end date, except:

- The recognition of deferred tax assets is limited to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits,
- Any deferred tax balances are reversed if and when all conditions for retaining associated tax allowances have been met, and
- Where timing differences relate to interests in subsidiaries, associates and joint ventures and the Group can control their reversal and such reversal is not considered probable in the foreseeable future.

Deferred tax balances are not recognised in respect of permanent differences except in respect of business combinations, when deferred tax is recognised on the differences between the fair values of assets acquired and the future tax deductions available for them and the differences between the fair value of liabilities acquired and the amount that will be assessed for tax. Deferred income tax is determined using tax rates and laws that have been enacted or substantively enacted by the reporting date.

Creditors

Creditors with no stated interest rate payable within one year are recorded at transaction price.

Financial instruments

The financial assets and financial liabilities are measured at fair value (including transaction costs).

Financial assets and financial liabilities at fair value are classified using the following fair value hierarchy:

- The best evidence of fair value is a quoted price in an active market.
- When quoted prices are unavailable, the price of a recent transaction for an identical asset, adjusted to reflect any circumstances specific to the sale, such as a distress sale if appropriate.
- Where there is no active market or recent transactions then a valuation technique is used to estimate what the transaction price would have been on the measurement date in an arm's length exchange motivated by normal business considerations.

Financial instruments held by the Company are classified as follows:

- Financial assets such as cash, current asset investments and receivables are classified as loans and receivables and held at cost less impairment.
- Financial liabilities such as loans are held at amortised cost using the effective interest method.
- Loans to or from subsidiaries including those that are due on demand are held at amortised cost using the effective interest method.
