Creating homes. Building lives.

# Corporate Plan summary

We are very pleased to introduce this summary version of our updated Corporate Plan for 2019. Once again, we hope this document will give you an insight of where we're heading, our key priorities and focus over the next three years.

The Corporate Plan remains a working document for the Group's board members, its management and our employees to understand, monitor and control the business. It also summarises where Jigsaw is heading for our employees, stakeholders, partners and tenants.

This is the second year following our merger and much of the plan continues to be focused on consolidation, but it's still ambitious. After delivering merger-related savings of £5.5m in our first year, we continue to prepare the ground for a step-change in our output of new housing and in our capacity to do more good in the areas where we work.

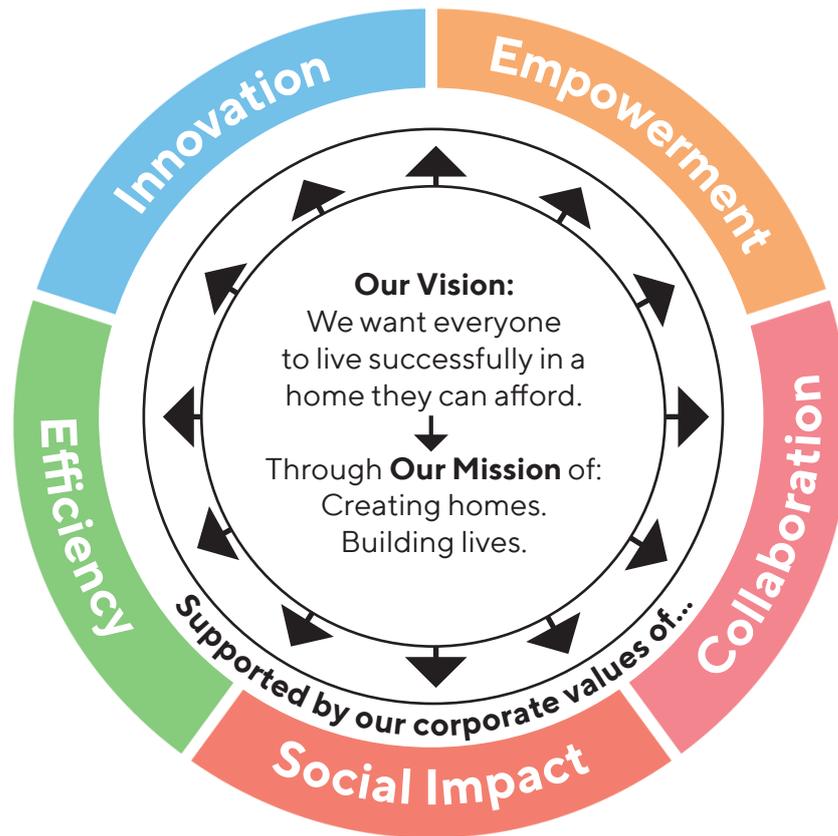

## Why are we here?

We believe that as a larger organisation, Jigsaw Group brings together our expertise and resources to make a wider contribution with improved results for our tenants and our neighbourhoods.

Some of these anticipated outcomes are listed below:

A common strong <b>social purpose</b> that goes beyond housing	Between <b>2018</b> and <b>2021</b> reduce the Group's annual operating costs by <b>£3m</b> .
Stronger <b>services</b> for tenants and customers	Between <b>2018</b> and <b>2023</b> reduce the Group's annual operating costs by <b>£10m</b> .
A highly <b>engaged, motivated</b> and <b>skilled</b> workforce	<b>Better placed to respond</b> to risks and opportunities
A step-change in <b>influence</b> and <b>strategic impact</b> locally and nationally	Provide at least <b>130</b> additional new homes every year from efficiency savings
To make the most of <b>opportunities</b> arising from <b>devolution</b> , particularly in Greater Manchester	<b>More resources to regenerate</b> and <b>invest</b> in communities
	A commitment to <b>place-based working</b> for maximum impact
Adopt <b>best practice</b> from two award-winning organisations	A strong <b>community</b> focus
