Risks that may prevent the Company achieving its objectives are considered and reviewed annually by the executive management team of the Group and the board as part of the Group's corporate planning process. The Group's risk and governance model is designed so that the board maintains overall responsibility for risk.

Opinion

We have audited the financial statements of Jigsaw Treasury Limited (the Company) for the year ended 31 March 2023 which comprises the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and the notes to the financial statements, including a summary of significant accounting policies in note 2. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 “The Financial Reporting Standard applicable in the UK and Republic of Ireland” (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Company’s affairs as at 31 March 2023 and of the Company’s income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors’ use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company’s ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Directors’ Report, other than the financial statements and our auditor’s report thereon. The Directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Independent auditor's report to the members of Jigsaw Treasury Limited

In connection with our audit of the financial statements our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Directors

As explained more fully in the Director's Responsibilities statement set out on page X, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

Independent auditor's report to the members of Jigsaw Treasury Limited

includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Extent to which the Audit was Considered Capable of Detecting Irregularities, Including Fraud

We identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and then design and perform audit procedures responsive to those risks, including obtaining audit evidence that is sufficient and appropriate to provide a basis for our opinion.

In identifying and addressing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, our procedures included the following:

- We obtained an understanding of laws and regulations that affect the Company, focusing on those that had a direct effect on the financial statements or that had a fundamental effect on its operations. Key laws and regulations that we identified included the Companies Act 2006 and tax legislation.
- We enquired of the Directors and reviewed correspondence and Directors' meeting minutes for evidence of non-compliance with relevant laws and regulations. We also reviewed controls the Directors have in place, where necessary, to ensure compliance.
- We gained an understanding of the controls that the Directors have in place to prevent and detect fraud. We enquired of the Directors about any incidences of fraud that had taken place during the accounting period.
- The risk of fraud and non-compliance with laws and regulations and fraud was discussed within the audit team and tests were planned and performed to address these risks. We identified the potential for fraud in the nature of the Company's activities.
- We reviewed financial statements disclosures and tested to supporting documentation to assess compliance with relevant laws and regulations discussed above.
- We enquired of the Directors about actual and potential litigation and claims.
- We performed analytical procedures to identify any unusual or unexpected relationships that might indicate risks of material misstatement due to fraud.
- In addressing the risk of fraud due to management override of internal controls we tested the appropriateness of journal entries and assessed whether the judgements made in making accounting estimates were indicative of a potential bias

Use of our report

This report is made solely to the Company, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company

1 Basis of preparation

The financial statements of the company have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – 'The Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland' (FRS 102), and with the Companies Act 2006.

Going concern

The company is a treasury vehicle of the Jigsaw Homes Group as such its ability to continue as a going concern is intrinsically linked to the performance of the Group.

The Group assessment is as follows:

Based on the following assessment the board is comfortable that the Company continues to be a going concern and have therefore produced financial statements on a going concern basis.

The Association's activities, its current financial position and factors likely to affect its future development are set out within the Strategic Report.

The Board approved the Association's 2023/24 budget prior to the start of the financial year and approved the Association's thirty year financial plan shortly afterwards. The board is content that these plans were affordable and that the financial statements should be prepared on a going concern basis.

The board reviewed a range of scenarios and stress tests in order to fully understand the potential impact on the thirty year financial plan and the Group's loan covenant position. This considered how alternate projections for inflation, interest rates and house prices impact on the Group's financial covenant position. The alternate projections arise from three different macroeconomic scenarios

- A central forecast based on estimates published in the Economic and Fiscal Outlook by The Office for Budget Responsibility where available and otherwise, on sector norms as advised by Savills
- The 2022 Bank of England stress test scenario which envisaged deep simultaneous recessions in the UK and global economies, large falls in asset prices and higher global interest rates
- A Black Swan Event which combines the worst independent ten year movements in recent memory of each macroeconomic variable into a single challenging scenario.

The stress tests also considered the materialisation of significant financial risk to the business using an assessment of the worst-case realistic potential financial impacts associated with current risks recorded in the Group's risk map. For the purposes of the stress test, the board has selected scenarios where combinations of key risks unexpectedly materialise to present either medium or long term impacts to the business.

The board continues to review the financial plan with the executive team to make any necessary changes and continue to work with our customers and stakeholders to deliver our services.

2 Principal accounting policies
